# 1958 PRICE LIST

## ASSORTMENTS

For those wishing a few of a kind, we recommend these select assortments.

In the first four assortments the same number of plants of each kind is included. The other four assortments will vary in numbers of each kind owing to the purpose of the assortment and stock limitation.

Assortments, as well as plants ordered by name, will be labeled with plant names free, but only upon request.

**MINIATURE**—Tiny all cactus, or cactus and succulents mixed, for 1¼ in pots. \$4.50 per 100.

**SUNSET**—All cactus, all succulents or mixed as requested for 2-2½ in. pots at \$7.50 per 100.

**GOLDEN WEST**—Larger plants of the Sunset group for 2½-3½ in. pots at \$10.00 per 100.

**LITTLE JEWEL**—Slow-growing choice cactus of price group "B" for 2-2½ in. pots at \$10.00 per 100.

**ROYAL**—Larger plants for 2½-3½ in. pots. \$15.00 per 100.

**SUPER**—Choicer plants for 3-4 in. pots. \$25.00 per 100.

**SUPER DUPER**—Still larger plants \$35.00 per 100.

**FANCIER'S**—Choice kinds from our retail list that will appeal to collectors of better plants. \$15.00 per 100.

## GENERAL ASSORTMENT

Equal amounts from all seven assortments (excluding miniatures) \$16.75 per 100. Minimum order 100 plants.

## POTTED PLANT ASSORTMENTS

Popular assortments of well established, nursery grown plants of the highest quality in 2¼" green, red, white, coral and yellow plastic pots.

Each assortment is composed of 10 varieties, 5 plants per variety. Each plant harmonizes with the pot color and each assortment is balanced, containing tall and globular types.

Price per carton of 49 labeled plants is \$7.84 or 16c per plant. Price per carton of 49 unlabeled plants is \$7.35 or 15c per plant. Prices are F.O.B. Corona, Calif.

## PLEASE NOTE

Although this is our twenty ninth year of quality cactus growing, and we are California's largest Cactus and Succulent Nursery, still we are unable to keep up with the demand.

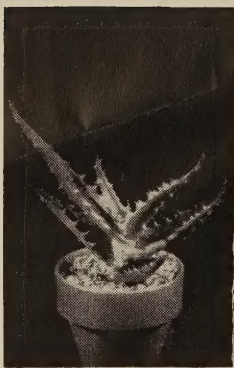

Current sales have broken all records. Consequently we ask you to refer to this Price List before ordering. Please indicate substitutions where possible.

Famatimensis**

**Mammillaria  
Armillata**

Prices listed for 100 of a kind. For ten or more of a kind and less than twenty-five, add 20% service charge. If you desire less than ten of a kind, order one of our assortments and ask for as large a variety as possible. Since these prices are wholesale, \$7.50 is the minimum order. For quantity discounts see "Terms" on back page.

## CACTUS PLANTS

	Price Group Price per 100
<b>ASTROPHTUM CAPRICORNE.</b> Goat's Horns, Globular, few sharp ribs, weak twisted spines. ....	
<b>ASTROPHYTUM MYRIOSTIGMA.</b> "Bishop's Cap." Globular, white dotted ribs, no spines. ....	
<b>Astrophytum ORNATUM.</b> "Spiny Bishop Cap." Globular, many white dots, stout spines. ....	
<b>CEPHALOCEREUS PALMERI.</b> Stout Columnar, fluted ribs, some white hair. ....	
<b>Cephalocereus SENILIS.</b> "Mexican Old Man." Stout Columnar, covered with long white hair. ....	
<b>CHAMAECEREUS SYLVESTRIL.</b> "Peanut Cactus." Clusters of short branches, weak spines. ....	
<b>CLEISTOCACTUS HYALACANTHUS.</b> Columnar, covered with short weak, white spines. ....	
<b>CORYPANTHA CLAVA.</b> Star pin cushion. Few white spines in star clusters. ....	
<b>DOLICHOTHELE LONGIMAMMA.</b> Cushions of long green nipples, weak, light colored spines. ....	
<b>ECHINOCACTUS GRUSONII.</b> "Golden Ball." Globular, with gleaming yellow spines. ....	
<b>ECHINOCEREUS BAILLEYII.</b> Stout cylindric, numerous short gray spines. ....	
<b>ECHINOPSIS HYBRIDS.</b> "Easter Lily Cactus." Globular, some long, some short spines. ....	
<b>Echinopsis HYBRIDS.</b> Clustering variety. ....	
<b>Echinopsis LEUCORHODANTHA.</b> Small globular, short spines. ....	
<b>Echinopsis MIRABILIS</b> (Setiechinopsis). Dwarf, cob shaped, dark body. ....	
<b>ESPOSTOA LANATA.</b> "Old Man of Peru." Stout columnar, covered with soft white wool. ....	
<b>FEROCACTUS COVILLEI.</b> Globular with many ribs and spines. ....	
<b>Ferocactus LATISPINUS.</b> (Corniger). Flattened globular, broad spined. ....	
<b>Ferocactus PILOSUS</b> (Pringlei) Globular, becoming stout, cylindrical, stout reddish spines. ....	
<b>Ferocactus RECTISPINUS.</b> "Hat Pin Cactus." Globular with long curved spines. ....	
<b>HAAGEOCEREUS CHOSICENIS.</b> "Golden Columns." Stout columnar, low ribs covered with short golden spines. ....	
<b>HAMATOCACTUS SETISPINUS.</b> "Strawberry Cactus." Globular, light brown spines. ....	
<b>HARRISIA NASHII.</b> Cylindrical branches near base. ....	
<b>Harrisia TORTUOSA.</b> Red Tipped Dog Tail. Dark spines with red tips. ....	
<b>LEMAIREOCEREUS BENECKII.</b> Green columnar seedlings covered with waxy powder. ....	
<b>Lemaireocereus MARGINATUS.</b> "Pipe Organ." Columnar, dark green ribs, short spines. ....	
<b>Lemaireocereus MARTINEZII.</b> Stout columnar, dark green fluted ribs, short dark spines. ....	
<b>Lemaireocereus PRUINOSUS SQUARE.</b> "Blue Mitre." Heavy, angular, columnar, bluish color. ....	
<b>LOBIVIA, BINGHAMIANA.</b> Clustering, globular, green, short gray spines. ....	
<b>Lobivia FAMATIMENSIS.</b> "Orange Cob Cactus." Cob shaped, short spined. ....	
<b>MAMMILLARIA ARMILLATA.</b> Tall columnar, bluish green nipples, brown spines. ....

Mammillaria <b>BAXTERIANA</b> . Globular, many long white spines. ....	
Mammillaria <b>BOCASANA</b> . "Powder Puff." White hair over short hooked spines. ....	
Mammillaria <b>BOCASASA VAR. ED HUMMEL</b> . Globular, white woolly, freely clustering, minute hooked spines, rot resistant. ....	
Mammillaria <b>CALACANTHA</b> . Globular, straight spines. ....	
Mammillaria <b>CAMPTOTRICA</b> . "Bird's Nest Cactus." Hemispherical with long nipples, tipped with weak spines. ....	
Mammillaria <b>CARNEA</b> . Globular, green, angled nipples, short brown spines. ....	
Mammillaria <b>CELSIASA</b> . Globular, covered with short, yellow spines. ....	
Mammillaria <b>COLLINSII</b> . Globular, dark, often reddish with light colored spines. ....	
Mammillaria <b>COMPRESSA</b> . Clustering, flattened heads, long spines with light bases and purplish tips. ....	
Mammillaria <b>DURISPINA</b> . Globular, short, black tipped spines. ....	
Mammillaria <b>ECHINARIA</b> . Clustering columnar, straight yellow spines. ....	
Mammillaria <b>ELONGATA</b> . "Golden Stars." Clustering, columnar, oppressed yellow spines. ....	
Mammillaria <b>GEMINISPINA</b> . Globular, erect straight white spines, with white wool. ....	
Mammillaria <b>HAHNIANA</b> . "Old Woman Cactus." Flattened globular, white spines, becoming hairy. ....	
Mammillaria <b>JOHNSTONII</b> . Globular, gray to brown spines. ....	
Mammillaria <b>KEWENSIS</b> . Globular, brown spines. ....	
Mammillaria <b>LEWISIANA</b> . Flattened globular, small nipples, gray to brown spines. ....	
Mammillaria <b>MAGNIMAMMA</b> . Hemispherical, large nipples, short curved spines. ....	
Mammillaria <b>MICRORELIOPSIS</b> . "Little Suns." Stout columnar, short yellow spines. Beautiful. ....	
Mammillaria <b>MYSTAX</b> . Globular, variable brown spines. ....	
Mammillaria <b>NEJAPENSIS</b> . Globular, covered nipples bearing white spines of varying length. ....	
Mammillaria <b>PACIFICA</b> . A Gates discovery, flattened globular, gray to brown spines. ....	
Mammillaria <b>PARKINSONII</b> . "Owl's Eye." Flattened globular, short white spines. ....	
Mammillaria <b>PERBELLA</b> . Globular, very short white spines. ....	
Mammillaria <b>POLYTHELE</b> . Globular becoming columnar, prominent nipples, few medium spines. ....	
Mammillaria <b>RHODANTHA</b> . "Rainbow Pincushion." Globular, numerous yellow to brown spines. ....	
Mammillaria <b>SAETIGERA</b> . Globular, very short spines. ....	
Mammillaria <b>SEMPERVIVI</b> . Flattened globular, dark green, few very short spines. ....	
Mammillaria <b>TETRACANTHA (DOLICHOCENTRA)</b> . "Ruby Dumpling." Globular, straight brown spines. ....	
Mammillaria <b>TETRACANTHA</b> Var. <i>Galeottii</i> . Globular to stout columnar, stout nipples, yellow spines. ....	
Mammillaria <b>VAUPELLI</b> "Vaupell's Pincushion". Globular, short nipples, many vari-colored, short straight spines. ....	
Mammillaria <b>WILDII</b> . "Fish Hook Pincushion." Globular clustering, harmless short spines, one tiny fish hook to each nipple. ....	
Mammillaria <b>WINTERIAE</b> . Flattened globular, large, angled nipples, long straight spines. ....	
<b>MONVILLEA DIFFUSA</b> . Slender, columnar, soft spines. ....

<b>MYRTILLOCACTUS GEOMETRIZANS.</b> Blue Myrtle. Columnar, angular, covered with bluish white powder.	
Myrtillocactus <b>SCHENCKII.</b> Stout columnar, yellow green body with short brown spines.	
<b>NEO-PARTERIA SUB-GIBBOSA.</b> Globular to short cylindrical, dark olive green, short spines.	
<b>NOTOCACTUS APRICUS.</b> "Sun Cups." Globular, soft gray-brown spines	
Notocactus <b>GRAESSNERI.</b> Yellow Ball. Flattened globular, covered with bristly, golden yellow spines.	
Notocactus <b>LENINGHAUSII.</b> "Golden Ball." Many ribbed, densely covered with weak, yellow spines.	
Notocactus <b>MAMMILLARIS.</b> "Lemon Ball." Globular, short stout spines.	
Notocactus <b>OTTONIS.</b> "Indian Head." Globular, weak brown spines	
Notocactus <b>SCOPA.</b> Silver Ball. Globular, short weak silvery spines, red tips.	
<b>NYCTOCEREUS SERPENTINUS.</b> "Snake Cactus." Fluted columnar, short brown spines.	
<b>OPUNTIA BASILARIS.</b> "Beaver Tail." Purplish pads, no spines,	
Opuntia <b>CIRIBE.</b> Silver Cholla of lower California. Silvery sheathed spines.	
Opuntia <b>GLOMERATA.</b> "Paper Spines." Egg shaped joints with long white papery spines.	
Opuntia <b>HAMILTONIAE.</b> Columnar with few spines on definite ribs.	
Opuntia <b>MAMMILLATA.</b> "Boxing Glove." Columnar, short spined. Forms strange twistel fascinaintos.	
Opuntia <b>MICRODASYS.</b> "Bunny Ear." Rounded pads bearing clusters of tiny yellow spicules.	
Opuntia <b>MICRODASYS BUDS.</b> Yellow Indian Bonnet. Rooted fruits bearing from one to six little ears.	
Opuntia <b>MICRODASYS HONEY.</b> Bunny ears with harmless cream colored spines.	
Opuntia <b>MICODASYS WHITE.</b> Popular variation.	
Opuntia <b>MONACANTHA. (Vulgaris).</b> Green pads, few spines.	
Opuntia <b>RUFIDA.</b> "Cinnamon Cactus." Rounded pads bearing clusters of reddish-brown spicules.	
Opuntia <b>RUFIDA BUD.</b> Small "ears" from round seed bud.	
Opuntia <b>SCHICKENDANTZII.</b> "Mule Ears." Elongated pads, short light brown spines.	
Opuntia <b>SCHICKENDANTZII BUDS.</b> Rooted fruits with short brown spines on the ears.	
Opuntia <b>URSINA.</b> "Grizzly Bear." Upright pads bearing long, white hairy spines.	
Opuntia <b>VILIS.</b> "Dwarf Mexican Tree." Free branching, very useful when small tree shaped plant is desired.	
<b>OREOCEREUS FOSSULATUS.</b> Stout columnar with long white hair.	
<b>PACHYCEREUS PECTEN-ABIRIGINUM.</b> "Indian Comb." Stout columnar, short, light colored spines.	
Pachycereus <b>PRINGLEI.</b> "Mexican Giant." Heavy columnar, short, stiff gray spines.	
<b>REBUTIA MINUSCULA.</b> Red Crown. Clustering small globular, green heads, very short weak spines.	

#### SUCCULENT PLANTS

<b>AGAVE PICTA.</b> Rosettes of gray leaves, white margin, white teeth.
<b>ALOE AFRICANA.</b> Tall growing, large gray green, toothed leaves.
Aloe <b>BEGUINII.</b> "Pearl Aloe." Dwarf, thin pointed leaves bearing white dots.
Aloe <b>BREVIFOLIA HUMILIS.</b> Rosettes, pearl gray leaves.

## CONDITIONS OF SALE

### QUANTITY DISCOUNTS

On shipments amounting to—

\$50.00 or more 5%      \$100.00 or more 10%

Quantity discounts apply to cash or C.O.D. orders. Customers who have established account standing, will be billed at the hundred rates and the above discounts will be allowed if remittance is mailed within twenty one days of invoice date.

### WHOLESALE TERMS

Cash with order. Packed F.O.B. Corona. 50% cash advance with C.O.D. orders. Minimum wholesale order \$7.50. Hundred rate price applies on 25 or more of one kind. For prices on smaller lots of a kind, see notation at heading of the general listings.

### LABELING

We label with plant names only when requested.

### TRANSIT LOSSES

Claims for heating, freezing, delay or poor handling must be taken up with the transporting agency. In order that you may properly make claim upon the transportation company for transit losses, always ask the delivering agent for a bad order inspection.

### SATISFACTION GUARANTEED

We guarantee quality and fair value. If not satisfied on these points return the goods at once at our expense for full refund.

**This Price List Cancels All Other Lists**
